

Alla stazione San Paolo. Denunciato un vigile notturno per tentato omicidio

Ferito mentre fa il murales

FERITO alla spalla da un vigile notturno mentre disegnava un «murale» all'ingresso della stazione del metrò di San Paolo. Un episodio inquietante avrebbe potuto concludersi in modo ancora più tragico. Il giovane è stato accolto da un gruppo di amici. I conti di questo genere nascondono storie di mala piccola o grande, regolamenti di conti o «sgarri» ma la fedina penale del ragazzo, del tutto immacolata e il suo modo di fare rendevano anche questa pista poco probante. Il giovane è stato accolto da un gruppo di amici.

CIAO CARO LETTORE SCONOSCIUTO,

nelle pagine di questa che nel bene e nel male e' la prima fanzine ad essere stata prodotta a ROMA, troverai rappresentate le crew di writers piu' attive nella CAPITALE che hanno dipinto ogni sorta di superficie illegalmente dipingibile, nel lasso di tempo che va dall'estate del '95 all'aprile del'96.

Troverai i "pezzi" di coloro che venutici a trovare a ROMA dal resto dell'Italia e del mondo (ooh!altri:wow?!!) hanno ereditato bene di lasciarsi un simpatico ricordo del loro passaggio.VedrAi pure pezzi da BARCELONA e dall'OLANDA.

Oltre a tutto cio' -e ci pare piu' che fantastico!!!-potrAi godere di foto inedite ed esclusive che le piu' blasonate riviste rosa ed anche altre pubblicazioni di simile spessore bramerebbero possedere del formoso e rilassato culone del trota!!!!.....detto cio'..... come non entrarne in possesso "prendendone" piu' di una copia?!

Sperando che in futuro avremmo ancora,grazie alla TUA generosita', l'opportunita' di scrivere svariate cazzatone a tal guisa ci congediamo da TE CARO LETTORE ringraziandoti e augurandoti il meglio per la TUA vita.

YO!! i'ts out MACCARONI tha first Roman'fanzine!(sti cazzil!) In this issue you'll try tha pieces of tha most active crew in ROME that have painted all of kind of illegal surface from 95 summer to 96 spring & tha pieces of tha international writers that have bombed here in ROME.

there is a special about tha Barcellona scene & shits from Holland to.

chek this shit out ciao & don't stop!!
